Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGET-ABLE KINCDOM. It restores CREY HAIR TO ITS ORIGINAL YOUTH-FUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and fulling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

than three bottles of any other preparation.

It is recommended and used by the First Medical Authority.

The Wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names: and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partclaiming they were former part-ners, or had some connection with our Mr. Hall, and their preparaour Mr. Hall, and their preparation was similar to ours. Do not
be deceived by them. Purchase the
original: it has never yet been
equalled. Our Treatise on the
Hair, with certificates, sent free
by mail. See that each bottle has
our private Revenue Stamp over
the top of the bottle. All others
are imitations.

GROVER & BAKER'S SEWING MACHINES.

as expressing the reasons for the preference of the Grover & Baker Machines over

chine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker; and having a Grover & Baker; it answers the purpose of all the rest. It does a greater variety of work and leeaster to learn than any other,"—Mrs. J. C. Croly (Jenny June)

* * "I have had several years' experience with a Grover & Baker Machine, which has given me great satisfaction. I think the Grover & Baker Machine is more easity managed, and less liable to get out of order. I prefer the Grover & Baker decidedly,"—Mrs. Dr. Watts, New York.

Spooner, 36 Bond St. Brooklyn.

* "I am acquainted with the work of
the principal machines, and I prefer the
Grover & Baker to them all, because I consider the stitch more clastle. I have work
in the house which was done nine years
ago which is still good,"—Mrs. Dr. McCready, No. 43 East 23d street, N. Y.

e s "More than two-thirds of all the "More than two-thirds of all the sewing done in my family for the last two years has been done by Grover & Baker's Machine, and I never had a garment rip or need mending, except those rents which trollesome boys will make in whole cloth. It is, in my opinion, by far the most valuable of any I have tried."—Mrs. Henry Ward Beecher.

* "The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execution and economy in price that it is a necesity in every household."—Mrs. Governor Geary, Harrisburg, Pa.

"I have had the Grover & Baker Ma "I have had the Grover & Baker Su-chine for ten or twelve years in constant use in my house. I have seen and known every kind of Family sowing, both per-sonal and household, accomplished upon the Grover & Baker Machine, to the entire satisfaction of all concerned,—Rev. Stephen

H. Tyng.
"I find the Grover & Baker Stitch will be described by the control of th wear aslong as the garments do—ontwear the garment in fact. The stitch will not break on bias seams, when stretched, as others do; and neither does it draw the work."—Mrs. Dr. Whiting, 4 East twen-ty-fourth street, N. Y.

The Grover and Baker Sewing Machine Company manufacture both the Elastic and Lock Stitch Machines, and offer the tho large cities, and through agencies in nearly all towns throughout the country, Price lists and samples of sewing in both stitches furnished on application to Grover & Baker S. JACOB SHRIVER,

Why

Is it that Dr. Roback's Stomach Bitters increase in sale every year?

Because

They are the best combination ever made.

Why

Do the Druggists recommend Dr. Roback's Bitters to their customers?

Because

After years of experience

and trial they have been proven to be a sure cure for Dyspepsia and Indiges-

tion.

Why Is it that Physicians use and recommend Dr. Ro-

back's Sugar-coated Blood Pills?

Because They know the ingredients of which they are made.

Why Are Dr. Roback's Blood Purifier and Blood Pills the best remedies taken together for the cure of all diseases of the blood?

Because

The Blood Purifier is the only article in the market which contains the celebrated costly Drugs imported expressly from Sweden for its manufacture, and the Pills contain the active principle of Podophyllum (Mandrake Root,) and is a substitute for Mercury.

Why Are Dr. C. W. Robnek's Stomach Bitters, Blood Puriffer and Blood Pills the three greatest remedies the world has ever known?

Because

After eleven years' experienco and trial the sales have increased each and every year, and thousands of letters (unsolicited) of the remarkable cures they have performed bear witness. Read the letters in Local Column of cures by these medicines.
